We Care for the Elderly
愛心護老·助享耆年

HELPING HAND COOKIE CAMPAIGN 2020

Can you help our elderly?

Since 1978, we at Helping Hand have been caring for Hong Kong's elderly citizens. Our self-care homes are true communities; our residents support each other and even visit other elderly living nearby. Our care and attention homes are a safe and dignified environment for those elderly who are frail or suffering from dementia, and our Holiday Centre offers respite from everyday life for the elderly and their carers. All our homes are open to local elderly and provide leisure activities, support and hot meals to those living alone.

Helping Hand by the Numbers

- Provide **1,000** beds in our **7** elderly homes
- Help an additional **40,000** elderly with our community services each year
- Average age of **Helping Hand** residents: **> 80**
- **HK\$10M-\$13M** is needed each year to care for the elderly under our care. The Cookie Campaign is a significant fundraiser for us and provides a massive boost to our services.

This year, we have made the painful decision not to sell in MTR stations or on the streets and therefore we need your help.

Can you or your friends buy our cookies?

Double the Giving

We know that you want to help but sometimes do not want to receive the cookies yourselves so we have partnered with other charities in our Double the Giving campaign. Helping Hand cookies will be donated to other groups which care for Hong Kong's needy including the homeless, those with physical or mental impairments and food bank users.

A donation of HK\$10,000 will buy 250 cookies, HK\$4,000 will buy 100 and HK\$2,000 will buy 50.

Each gift will help the elderly and other needy citizens.

Helping Hand cookies are a familiar and much-loved sight around Chinese New Year. Order for yourself, family, friends and colleagues in the knowledge that your generosity will bring them happiness and benefit the elderly under our care.

With all our hearts, thank you for caring.

Bonus gift: Share the love!

Care for the elderly; care for the planet. To avoid waste, our pandas have gone digital! Find them online in the form of WhatsApp stickers to download and share with friends.
